

Thank You

A giant Thank You from your friends, neighbors, and the community at large, for your years of dedication and hard work as President of the FPC. Under your leadership (and with Becci's help), we are assured of a clean healthy pond, wildlife galore, multi-season recreational activities and trophy bass! Meetings and social events have brought us together — neighbors met neighbors, became friends and joined forces to strengthen, maintain and enliven this unique community.

We are made better for your dedication and we appreciate you. We ALL appreciate you

We feel so lucky being able to raise our family here. Thank you for everything!
